

Did you know?

Your Medicare Health Plan DOES NOT pay for Experimental cancer treatment, or travel expenses related to cancer treatment.

Did you know?

A Medicare Advantage Plan DOES NOT pay for the Medicare Part B deductible of \$233, or the 20% copayment in a doctor's office or freestanding clinic for chemotherapy treatment.

Did you know?

Cancer insurance is an indemnity policy. The money is paid to you, not the doctor.

The solution is simple.

Focus on your recovery, not your finances
